

The 2010 Annual Meeting called upon the Conference Board of Directors to review our banking policies. Most of our financial arrangements are not through a bank but are through United Church of Christ-related organizations:

Here the current list:

Credit Cards	American Express*
Church loans	United Church of Christ Cornerstone Fund
	United Church Building/loan Fund
Investments/trust funds	United Church Funds
Operations Checkbook	Bank of America
Payroll Service	Vanco Services
Pensions/employee benefits	Pension Boards United Church of Christ

*Tied to John Deckenback's accounts

A Baltimore County Bank was contacted to determine its interest in possibly providing banking services for the Conference. No proposal was forthcoming.

The Budget and Finance Working Group has reviewed our current financial arrangements and is suggesting that no changes be made at this time.

**Affirmed by the Conference Board of Directors for reporting to the Annual Meeting
May 7, 2011**
